Medical Documentation Form

UCN Student Accessibility Services (SAS) provides accommodations for all UCN students with permanent or temporary disabilities based on documentation received from their doctor or registered health care professionals.

Below is a list of appropriate professionals that may provide medical documentation:

- **Learning disabilities:** a recent psych-educational assessment by a registered psychologist completed within the last five years.
- **Mental Illness or Disability (including ADHD, anxiety, depression):** Documentation must be provided by an appropriate specialist. (Mental health worker, psychiatrist, psychologist, or a long-term family physician).
- **Blind or visual Impairment:** Documentation must be provided by an optometrist or ophthalmologist and include the amount of residual vision present and whether the disability is stable, progressive, or fluctuating. CNIB cards may also be accepted.
- **Deaf or hard of hearing:** Documentation must be provided by a certified audiologist and should include an audiogram, a statement of the amount of hearing loss, and whether the disability is stable, progressive, or fluctuating.
- **Neurological Disabilities:** Documentation can be provided by a neurologist, neuropsychologist, psychologist, psychiatrist, or physician.
- **Chronic, Acute or Episodic Illness/Disabilities:** Documentation can be provided by a physician or appropriate specialist.
