

RETURNING STUDENTS DECLARATION

January 2017

The faculty and staff at University College of the North look forward to having you continue your studies with us in the 2017-18 academic year. As a continuing student you do not need to complete an Admission Application unless you are changing programs.

To hold your place in your current program, please complete the section below and return this Declaration form to Enrolment Services at your campus by May 1, 2017.

A registration package including instructions will be available in July. Some information will be mailed to you and some information will be available on the website: www.ucn.ca. Academic advisors will be available to meet with you for course selection during the regular registration period.

It is important to inform Enrolment Services of any subsequent changes to your academic plans. It is equally important to keep your personal information up-to-date, including any changes in home and email addresses; home and contact telephone numbers; and name changes.

Regards,

Florence Watson
Director, Enrolment Services & Registrar
